

Urb TecTrack

Client User (Requestor) - Training Guide

Waste generator / client organisation users who raise and close collection requests

Version: 1

Portal: <https://tetrack.urbeno.in>

Sign-in: issued separately by Urb TecTrack (not listed here)

Support: info@urbeno.in

Format: screenshot + detailed how-to for each step

This guide is for classroom or self-paced training. Follow the numbered steps on each page. Tips call out common mistakes.
Credentials are delivered by system email - never copy passwords into this PDF.

How to use this training guide

- Work through steps in order during a live training session or while practising on UAT.
- Each step has: What to do (numbered), Tips, and a full-page screenshot of the screen you should see.
- Pause after each step and confirm the Expected outcome before continuing.
- Ask your Urbano facilitator to advance staff/factory actions when your role cannot perform them.
- Record questions in your notebook; report defects using the Client/Factory/Admin UAT results workbook.

Training agenda

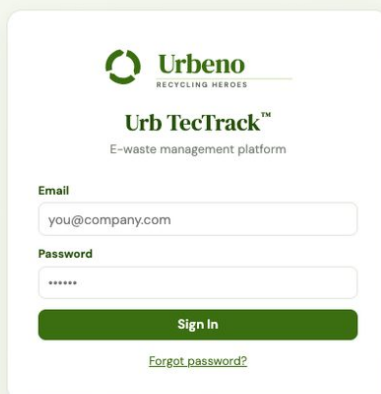

- Step 1 Open the portal and sign in
- Step 2 Home dashboard overview
- Step 3 Raise a new collection request
- Step 4 Track your requests list
- Step 5 Follow a request through the lifecycle
- Step 6 Recycling Heroes impact
- Step 7 Sustainability figures
- Step 8 Run and export reports
- Step 9 Read Terms of Use
- Step 10 Profile and change password
- Step 11 Sign out safely

Step 1 - Open the portal and sign in

What to do

1. Open <https://tectrack.urbeno.in> in your browser (Chrome, Edge, or Safari recommended).
2. Enter the email address from your account notification email.
3. Enter the password issued to you (or the temporary password from your welcome email).
4. Click Sign In.
5. On first login, open Terms of Use and Privacy Policy, tick the acceptance box, then Accept.
6. Change a temporary password immediately when prompted.

Tip: Never share your password. Use a private/incognito window if you also use other roles on the same computer. If Sign In fails, contact info@urbeno.in - do not email your password.

The image shows a sign-in form for Urb TecTrack. At the top, there is the Urbeno logo (a green circular icon with a white 'U') followed by the text 'Urbeno' and 'RECYCLING HEROES' in smaller text. Below this is the 'Urb TecTrack™' logo and the text 'E-waste management platform'. The form has two input fields: 'Email' with the placeholder 'you@company.com' and 'Password' with a masked password '*****'. A green 'Sign In' button is located below the password field. At the bottom of the form, there is a link that says 'Forgot password?'.

Sign In

[Forgot password?](#)

Step 2 - Home dashboard overview

What to do

1. After sign-in you land on Home.
2. Read the welcome line - it should show your first name and organisation.
3. Review the summary tiles: open requests, completed work, recycled kg, and trees planted.
4. Use the top navigation: Home, My Requests, Recycling Heroes, Sustainability, Reports.
5. Click + New Request when you are ready to raise a pickup.
6. Lifecycle from your view: you raise -> Urbeno acknowledges / vehicles / weigh / invoice -> Factory MRN & Form 6 -> Urbeno uploads CoD -> you download Form 6 / CoD when ready -> you close after payment.

Tip: You should NOT see Masters, Audit, Capacity, or Compliance. Those areas are for Urbeno staff only. Your Home figures reflect your organisation only.

Step 3 - Raise a new collection request

What to do

1. Click + New Request from Home or My Requests.
2. Select Site (required) from the dropdown - only your organisation sites appear.
3. Enter Pickup Location (building / floor / warehouse).
4. Optionally enter Your PO / Reference.
5. Confirm Pick Up Request Date.
6. Enter Approx. Quantity (units) and Approx. Weight (kg). Exact weight is captured later at weighment by Urbeno.
7. Add Notes if the team needs access instructions or a preferred window.
8. Optionally attach a Bill of Materials (CSV/Excel/PDF) and/or add Line Items.
9. Click Submit Request.
10. Note the new REQ- number on the request detail screen - share it with Urbeno if staff need to advance the job.
11. What happens next (others): Operations / Super Admin Acknowledge -> Assign Vehicle -> Weigh -> Raise Invoice; Factory Create MRN -> Form 6; Super Admin Upload Certificate; you Review & Close after payment.

Tip: Leave required fields empty once to see validation messages, then fill them correctly. You cannot Acknowledge, Assign Vehicle, Weigh, Raise Invoice, Create MRN, or Upload Certificate - those are Urbeno actions. Client Read Only users cannot raise requests.

The screenshot displays the Urb TecTrack web application interface for a user named Ramesh. The interface is divided into several sections:

- Header:** Includes the Urb TecTrack logo, user name (Ramesh), and a search bar.
- Left Sidebar:** Contains navigation links for Overview, Home, My Requests, Impact, Recycling Heroes, Sustainability, Records, and Reports.
- Main Content Area:**
 - Welcome, Ramesh:** Greeting message and a '+ New Request' button.
 - Site Selection:** Buttons for 'All sites', 'Embassy Tech Village - 16 open', and 'Global Tech Village - 0 open'.
 - Key Metrics:**
 - Sustainability:** 3,487 kg recycled FY 2026-27.
 - Recycling Heroes:** 38 trees planted.
 - Reports:** Form 6, certificates & more.
 - Request Status Summary:**
 - 16 OPEN REQUESTS**
 - 16 COMPLETED**
 - 3487 RECYCLED KG - FY 2026-27**
 - 38 TREES PLANTED**
 - FY 2026-27 Request Status:** A donut chart showing 32 total requests, with 16 Open (blue) and 16 Completed (green). A link to 'Tap to view all requests' is provided.
 - Sustainability - FY 2026-27:** A bar chart showing:
 - Recycled: 3,487 kg
 - CO₂ Avoided: 5,021 kg
 - Landfill Saved: 3,208 kg
 - Recent Activity:** A table listing recent requests with columns for REQUEST, SITE, STATUS, and WEIGHT.

REQUEST	SITE	STATUS	WEIGHT
REQ-LM-001 13 Aug 2026	Embassy Tech Village	4. Recycling & Compliance	96 kg
REQ-00100 26 Aug 2026	Embassy Tech Village	Pending with You	5 kg
REQ-00099 25 Aug 2026	Embassy Tech Village	1. Request Details	15 kg
REQ-00098 22 Aug 2026	Embassy Tech Village	1. Request Details	10 kg
REQ-00097 22 Aug 2026	Embassy Tech Village	1. Request Details	13 kg

Step 4 - Track your requests list

What to do

1. Open My Requests from the top navigation.
2. Scan the list - every row should belong to your organisation.
3. Use filters or search if available to find a specific REQ- number.
4. Click a row to open request detail and see stage progress (1-9).
5. Watch for vehicle details, invoice totals, Form 6 / CoD download links, and payment status as Urbeno advances the job.
6. You must never see MRN numbers or another company's requests.

Tip: If you see another company's requests or an MRN number, stop and report it to Urbeno as a Blocker.

Urb TecTrack™ - Urbeno Private Limited - Recycling Heroes™

CPCB registered - KSPCB authorised - ISO 9001:2015 - ISO 14001:2015 - ISO 45001:2018 - ISO/IEC 27001:2022

WhatsApp Terms of Use Privacy & Data Compliance Notice Support

Step 5 - Follow a request through the lifecycle

What to do

1. On request detail, find the stage badge (1-9) and header information (site, raised by, dates).
2. As Urbano advances the job, refresh to see vehicle, invoice, Form 6, and certificate updates.
3. Confirm you do NOT see Create MRN, Form 6 issue controls, Acknowledge, Assign Vehicle, Weigh, Raise Invoice, or Upload Certificate.
4. When Form 6 is approved, download Form 6 PDF from the invoice panel if offered.
5. When the Certificate of Destruction is uploaded, download the CoD PDF for your records.
6. When certificate and payment are both complete, look for Review & Close.
7. Open Review & Close -> Acknowledge closure to finish Stage 9.

Tip: Clients close the request after certificate + payment. Do not try Review & Close while payment is still outstanding - the system should refuse or hide the action. Client Read Only can download Form 6 / CoD but cannot close.

Step 6 - Recycling Heroes impact

What to do

1. Open Recycling Heroes from the navigation.
2. Explore planting / tonnage views for your organisation's contribution.
3. Open any available detail cards or photos to understand the CSR story.
4. Closed recycled work feeds Heroes milestones - in-progress pickups do not count early.

Tip: This is a read-focused client view. Urbeno-wide planting controls may not appear for client users.

The screenshot displays the 'Recycling Heroes' dashboard for TechCorp Pvt Ltd. The interface includes a sidebar with navigation options like Overview, Home, My Requests, Impact, Recycling Heroes, Sustainability, Records, and Reports. The main content area shows a summary of 38 trees standing, with 13 from Urbeno and 25 from CSR. It features a visual representation of trees and CO2 absorption, along with key metrics: 297 kg CO2 sequestered, 2.29 kg/day absorbed, 4,934 tree-days banked, and 0 growth photos. A milestones section shows progress towards 10 trees (30.0% complete). The reporting period is set to Financial Year (Apr-Mar) for FY 2026-27. Below, a table lists three planting records with details on location, partner, species, and CO2 absorption.

Recycling Heroes
Every tonne of closed e-waste earns one sapling — nurtured for 3 years toward self-reliance. Click trees in your forest to explore each planting.

Step 7 - Sustainability figures

What to do

1. Open Sustainability.
2. Review recycled weight, CO2 avoided, and related impact for closed work.
3. Open How these numbers are built / Methodology if offered.
4. Download Impact PDF when you need a shareable summary for your organisation.

Tip: In-progress requests do not inflate closed impact until the invoice is closed.

The screenshot displays the Urb TecTrack Sustainability dashboard. The interface includes a sidebar with navigation options like Overview, Home, My Requests, Impact, Recycling Heroes, Sustainability, and Reports. The main content area shows the Sustainability section with a search bar and filters for Basis and Financial Year. Key metrics are displayed in a grid: Weight Recycled (3,487 kg), CO₂e Avoided (5021 kg), Landfill Diverted (3208 kg), Water Saved (2127.1 kL), and Energy Saved (8020.1 kWh). Below these metrics, there are sections for 'What is counted' and 'Methodology'.

Sustainability
FY 2026-27 · closed lifecycle impact for BRSR / ESG disclosure

Basis Financial Year
Financial Year (Apr–Mar) FY 2026-27

How these numbers are built Impact PDF Recycling Heroes →

WEIGHT RECYCLED	CO ₂ E AVOIDED	LANDFILL DIVERTED	WATER SAVED	ENERGY SAVED
3,487 kg billed and closed	5021 kg · EPA WARM v16 × 1.44 kg/kg	3208 kg · authorised recovery 92%	2127.1 kL	8020.1 kWh

What is counted

Metrics are derived from **closed invoices** in the selected financial year — billing weight, material recovery assumptions, and Urbano's published coefficients (ported from the v6.3.1 prototype).

Based on 16 closed invoices across 16 requests · 3.49 tonnes.

Methodology

- **Recycling Heroes promise:** every 1 tonne of closed e-waste earns 1 sapling, nurtured for 3 years toward self-reliance
- CO₂e avoided: 1.44 kg per kg e-waste — EPA WARM v16, mixed electronics
- Landfill diversion: 0.92 — authorised recycler downstream recovery average
- Water / energy: 0.61 kL and 2.3 kWh per kg
- One organisation's tonne keeps toxins out of soil and water; the sapling it unlocks cools air, holds soil, and benefits the wider neighbourhood over years — small closed loops that scale into public good

Open full methodology PDF

Step 8 - Run and export reports

What to do

1. Open Reports.
2. Choose a report type such as Request Summary, Invoice Register, Certificate Log, Form 6 Log, Sustainability, or Recycling Heroes.
3. Set the period (FY / month) if a picker is shown.
4. Run the report and Export CSV or PDF when available.
5. Confirm there is no MRN Register - that report is for factory staff only.
6. Use Certificate Log / Form 6 Log to find downloads when you need audit evidence after Urbeno completes those stages.

Tip: Exports must contain only your organisation's rows. Keep downloaded files confidential.

The screenshot shows the 'Reports' section of the Urb TecTrack application. The left sidebar contains navigation links: Overview, Home, My Requests, Impact (Recycling Heroes, Sustainability), and Records (Reports). The main content area is titled 'Reports' and includes a search bar and a 'Generate for any period, any site, export to CSV or PDF' option. Below this, there are filters for 'Reporting Period' (Basis: Financial Year, Financial Year: Apr-Mar, FY 2026-27) and 'Report & Scope' (Report: Request Summary, Site: All sites (consolidated)). There are buttons for 'Export CSV' and 'Export PDF'. The main table displays a list of requests with the following columns: REQUEST, CLIENT, SITE, PO REF, RAISED, STAGE, VEHICLES, INVOICES, DECLARED KG, NET KG, and CLOSED. The table contains 32 rows of data, showing various requests from TechCorp Pvt Ltd and Embassy Tech Village, with stages ranging from '1-Request' to '9-Closed' and '4-Load & Weigh'.

Step 9 - Read Terms of Use

What to do

1. Open Terms of Use from the footer or the first-login acceptance gate.
2. Scroll through the document so you understand obligations before accepting.
3. Return to the portal via navigation or the browser back control.

Tip: You will not be asked to re-accept unless Urbeno publishes a new version.

The screenshot displays the Urb TecTrack portal interface. On the left is a dark green sidebar with navigation options: OVERVIEW (Home, My Requests), IMPACT (Recycling Heroes, Sustainability), and RECORDS (Reports). The main content area is titled 'Terms of Use' and includes a search bar at the top. The document text is as follows:

Terms of Use

Version 1.3 - effective 2026-08-30

Version 1.3 - effective 30 August 2026 - applies to all users of Urb TecTrack™

IMPORTANT – PLEASE READ

These Terms of Use ("Terms") govern access to and use of the Urb TecTrack™ software platform operated by Urbeno Private Limited ("Urbeno", "we", "us"). By signing in, clicking accept, or continuing to use the platform, you confirm that you are authorised by your organisation to do so and that you accept these Terms on behalf of yourself and, where applicable, your employer.

- 1. Nature of the platform (no service contract)**
Urb TecTrack™ is a digital record-keeping, workflow and communication tool used to capture and track information about the collection, transport, receipt, processing and certification of end-of-life electrical and electronic equipment. THE PLATFORM IS NOT ITSELF A CONTRACT FOR RECYCLING, LOGISTICS, DESTRUCTION OR ANY OTHER PHYSICAL SERVICE. Commercial terms for those services (pricing, SLAs, indemnities, insurance, liability caps for the physical work) are set only in a separate written agreement between your organisation and Urbeno. If anything displayed in the platform conflicts with that agreement, the written agreement prevails.
- 2. No warranty; "as available"**
The platform is provided on an "AS IS" and "AS AVAILABLE" basis. To the fullest extent permitted by applicable Indian law, Urbeno disclaims all warranties, whether express, implied or statutory, including merchantability, fitness for a particular purpose, non-infringement, uninterrupted availability, and error-free operation. We do not warrant that data displayed will be complete or current at every moment, that notifications will always arrive, or that third-party systems (email, SMS gateways, browsers, networks) will function without interruption.
- 3. Who may use it**
Access is granted only to named individuals authorised by Urbeno on the request of an authorised representative of your organisation. Accounts are personal and non-transferable. You must not share credentials. You are responsible for activity under your login. Notify info@urbeno.in promptly if you suspect compromise or if a colleague should lose access (for example on resignation). Urbeno may suspend or revoke access at any time for security, non-payment, misuse, or at your organisation's request.
- 4. Your organisation's responsibility for users and data entered**
Your organisation is responsible for (a) designating who may access the platform; (b) the accuracy of information those users enter (weights, descriptions, references, contacts, GST details, declarations); and (c) ensuring use complies with applicable law and your internal policies. Approximate figures at request stage are expected; invoicing and compliance documents use the weighed net (or recorded manual method). Discrepancies and explanations are recorded against the invoice where applicable.
- 5. Documents issued or stored through the platform**
 - Form 6 manifests are issued under Rule 12 of the E-Waste (Management) Rules, 2022, typically one per invoice.
 - Certificates of Destruction are prepared outside the platform, signed, and uploaded here. Several may be issued against a single request where material belongs to different departments.
 - Material receipt notes are internal gate documents retained by Urbeno and may not be visible to client users.

Downloaded files are copies of records held by Urbeno. If a downloaded copy differs from our retained original, the original governs. Platform-generated PDFs and reports are tools to assist compliance reporting; they do not replace statutory filings your organisation must make to regulators in its own capacity.
- 6. Service levels displayed in the platform**
Targets shown in the platform (for example Certificate of Destruction within thirty (30) days of receipt at a processing facility) are operational service commitments measured for transparency. Unless expressly stated in your written service agreement, they are NOT contractual warranties and do not create liquidated damages. Targets do not apply where delay arises from incomplete documentation, regulatory hold, force majeure, or matters outside Urbeno's reasonable control.
- 7. Payment and closure**
Invoice due dates follow the payment terms agreed with your organisation. The platform may send payment reminders after terms elapse. A request may be marked complete only when related invoices are paid in full, unless Urbeno agrees otherwise in writing.
- 8. Acceptable use**
You must not: access another organisation's records; upload malware or unlawful content; scrape, resell or republish platform data without written consent; attempt to bypass security or rate limits; or use the platform for any purpose other than managing consignments with Urbeno.
- 9. Intellectual property**
The platform, design, software and the Urbeno / Recycling Heroes™ marks belong to Urbeno Private Limited or its licensors. Your consignment data and documents issued to you remain associated with your organisation; you may export them from Reports subject to access controls.
- 10. Limitation of liability (platform)**
Nothing in these Terms excludes liability that cannot lawfully be limited under Indian law (including fraud or wilful misconduct). SUBJECT TO THAT, URBENO IS NOT LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL LOSS (INCLUDING LOST PROFITS, BUSINESS INTERRUPTION, LOSS OF DATA, OR REGULATORY PENALTIES INCURRED BY YOUR ORGANISATION) ARISING FROM USE OF OR INABILITY TO USE THE PLATFORM. URBENO'S AGGREGATE LIABILITY ARISING FROM THE PLATFORM ITSELF (AS DISTINCT FROM THE PHYSICAL RECYCLING SERVICES) IS LIMITED TO CORRECTING THE AFFECTED PLATFORM RECORDS OR, AT THAT IS NOT REASONABLY POSSIBLE, TO INR 10,000 (TEN THOUSAND RUPEES) IN THE AGGREGATE. Liability for physical recycling, transport and related services is governed solely by your separate service agreement with Urbeno.
- 11. Indemnity**
To the extent permitted by law, your organisation shall indemnify and hold harmless Urbeno and its directors, employees and agents from claims, losses and expenses (including reasonable legal fees) arising out of (a) inaccurate or unlawful data entered by your users, (b) unauthorised use of accounts issued to your organisation, or (c) your organisation's breach of these Terms or applicable law — except to the extent caused by Urbeno's wilful misconduct.
- 12. Privacy and personal data**
Processing of personal data is described in the Privacy & Data Notice. Acceptance of that Notice is required to use the platform.
- 13. Changes**
We may update these Terms as the platform or law develops. Material changes are notified by email and/or on next sign-in and may require explicit re-acceptance. Continued use after notice constitutes acceptance where permitted by law.
- 14. Governing law and jurisdiction**
These Terms are governed by the laws of India. Subject to mandatory remedies under the Digital Personal Data Protection Act, 2023, the courts at Bengaluru, Karnataka have exclusive jurisdiction.
- 15. Contact**
Questions about these Terms: info@urbeno.in.

Step 10 - Profile and change password

What to do

1. Click your name / avatar -> open profile (or go to /profile).
2. Confirm Role is Client User and Organisation is correct.
3. To change password: enter Current password, New password, Confirm new password.
4. New password must be 10+ characters with upper-case, lower-case, and a digit.
5. Click Update password.
6. Confirm Two-factor authentication is NOT shown for client users.

Tip: Do not change a shared training password unless Urbeno asks you to. Prefer N/A for password-change practice on shared accounts.

The screenshot displays the 'Your profile' page in the Urb TecTrack application. The page is divided into several sections:

- Header:** Includes the Urb TecTrack logo, a search bar, and user information (YU Ramesh) with a Logout button.
- Left Sidebar:** Contains navigation links for Overview (Home, My Requests), Impact (Recycling Heroes, Sustainability), and Records (Reports).
- Profile Section:**
 - Your Name:** YU Your Name, Client User.
 - EMAIL:** your.name@company.com
 - ORGANISATION:** TCPL
- Change password section:**
 - Current password:** Input field.
 - New password:** Input field.
 - Confirm new password:** Input field.
 - Update password:** Button.
 - Footnote:** 10 characters or more, an upper-case letter, a lower-case letter, a digit. It cannot repeat your last 5 passwords.
- Contact section:**
 - Contact:** Bengaluru, Karnataka, India
 - GST:** 29AABCU1234R1ZW
 - Phone:** 1800-123-4567
 - Email:** info@urbeno.in
- ISO certifications section:**
 - ISO certifications:** Audited and issued by TÜV Rheinland. Full certificate pack on the Urbeno site.
 - ISO 9001:2015** – Quality Management System
 - ISO 14001:2015** – Environmental Management System
 - ISO 45001:2018** – Occupational Health & Safety
 - ISO/IEC 27001:2022** – Information Security Management

Step 11 - Sign out safely

What to do

1. Click Logout in the top-right when you finish.
2. Confirm you return to the Sign In screen.
3. Close the browser tab if you are on a shared computer.

Tip: Always sign out on shared machines. Policies are not re-prompted on the next visit unless updated.

The image shows the Urb TecTrack sign-in interface. At the top, there is the Urbeno logo (a green circular arrow) and the text 'Urbeno RECYCLING HEROES'. Below this is the 'Urb TecTrack™' logo and the tagline 'E-waste management platform'. The sign-in form consists of two input fields: 'Email' with the placeholder 'you@company.com' and 'Password' with masked characters '*****'. A green 'Sign In' button is positioned below the password field. At the bottom of the form, there is a link for 'Forgot password?'.
